Fun, friendship, and activities

January - March 2027

From the Board President

As we head into 2027 and we have all enjoyed the Holiday season, many of you may already know that Sharon Oatway retired on November 27, 2026, as Executive Director of the Gloucester 50+ Centre. After many years in the sector, Sharon felt that it was time to embark on new and exciting challenges and enjoy her newfound retirement. All the best for a very Happy Retirement!

NOTE: As the weather begins to change over the next few months, please remember that boots and winter coats should be left in the coat closet. Proper footwear is required. Thanks.

A Tale Worth Telling!

Join Lynda Buske for a presentation of her experiences aboard the family boat, the Minerva 3. She will share the adventures she encountered as a child during a trip from Montreal to Halifax in 1960 and the return trip to Ottawa in 1965. These voyages made the news in both Charlottetown and Ottawa newspapers and had multiple challenges such as zero visibility in fog (long before GPS!) and an engine room fire! Once in Ottawa, the boat was enjoyed on the Rideau System and St. Lawrence River for fifteen more years.
